Brand Identity

Pulalend brand guide and usage system

Brand Essence

Pulalend should feel friendly, trustworthy, modern, and clear. The identity should never feel intimidating or over-technical because the platform also serves users who may be new to digital services.

Core Message

- Pulalend helps borrowers access funding simply.
- Pulalend gives lenders a clear way to participate and earn returns.
- Anyone can understand the offer: register as a borrower or register as a lender.

Typography and Voice

- Use clear sans-serif typography with strong readability.
- Keep headings confident and direct.
- Body text should be simple, human, and easy to understand.
- Avoid technical jargon when plain language works better.

Logo Usage Rules

- Use the primary logo for documents and presentations.
- Use the icon-only mark where space is limited.
- Use the app icon for profile images and mobile contexts.
- Do not distort, over-style, or overcrowd the logo.
- Keep generous white space around the mark.
